Day 1

Depart UK

We depart the UK to Geneva, Switzerland and transfer to our hotel in Chamonix, France.

Day 2

Val Ferret to La Fouly

Following breakfast we transfer to our start point, the head of Val Ferret. We immediately start to ascend along the back wall of the valley to our highest point of the day – Grand Col Ferret (2,537m). The views from here are simply breathtaking – waterfalls tumbling from crevassed glaciers and the long distance view to Courmayeur in Italy. We descend to the Swiss village of La Fouly for the night.

Trekking distance – approx. 15km

Day 3

La Fouly to Champex

A slightly easier day today, but our legs will still be feeling the previous day's trek! We follow the Swiss part of the Val Ferret to Champex (1,450m). The trail will take us through traditional Swiss villages and across open meadows where we'll see local farmers tending to the land. The views from this part of the trek are outstanding, as you would expect. We eventually reach our accommodation in the charming village of Champex, complete with its own lake.

Trekking distance – approx. 15km

Day 4

Champex to Col de la Forclaz

Today we ascend out of Champex immediately and trek around the Fenetre d'Arpette (2,665m). A very challenging day, but an amazing end to our adventure in the Alps! We descend to our waiting vehicle at Col de la Forclaz (1,526m) and take the transfer back to Chamonix for a night of celebration.

Trekking distance – approx. 16km

Day 5

Depart Geneva

Following breakfast, we take the transfer to Geneva airport for our flight back to the UK.

(Please note, this is a complex itinerary and subject to change)
